End of year celebrations are on 11 December 2018

Dear parents, grandparents and carers

Tuesday, 11 December is our last class for the year. You are invited to join us for our end of year celebrations. The children will perform short presentations and receive certificates of attainment as well as their final assessment reports.

The children will spend the beginning of the lesson practising their presentations so classes will begin at the normal time of **3.45pm**. The presentations and celebrations will begin at **4.15pm** and finish at **5.45pm**.

Please bring a healthy plate of food with a Latin American flavour to Gloria's class and help us congratulate and acknowledge the children's commitment and achievements in their learning of Spanish during 2018.

We look forward to celebrating our last class of the year with you and your family. If you have any queries, please do not hesitate to contact Dr Criss Jones Diaz (Principal) on 9591 5006 or 0425 368 455.
